Prospectus Overview

Art Works Northwest is dedicated to promoting our artists through regional member shows. CAVU Cellars is known for supporting local artists and providing a large venue for showing and selling our art professionally.

Work will be accepted in the following categories:

Sculpture: Any three-dimensional work such as glass, wood, clay, stone, bronze, or other

Painting: Oil, acrylic, watercolor, or mixed media

Drawing: Pastel, pencil, graphite, charcoal, ink, or any combination

Photography: Any photograph that begins with capturing an image through a lens. Includes digitally-enhanced photography

Other: includes but is not limited to fiber arts, functional pottery, ceramics, functional glass, and digital art.

Copies, kits, reproductions, or work done under instruction are not eligible.

Eligibility and Entry Process:

- Open to all Art Works Northwest artists
- Size Constraints: Pieces weighing more than 200 lbs. or two-dimensional work measuring more than 10 square feet will not be accepted
- All entries are to be submitted via the website at Artworksnw.org under the CAVU application link.
- Submit one image per two-dimensional piece. Two or three images may be submitted for each three-dimensional piece.
- Each artist must provide a brief biography (170 words or less), highlighting your career or past achievements, information regarding your process as an artist (if appropriate), or a simple artist statement communicating something you want the viewer to know. This information will be printed and posted adjacent to the artist’s work during the show. The committee reserves the right to edit for grammar and length.

- Artwork shown at the member's “Aspects of Life” show in the past three years is discouraged.

Acceptance:

An Art Works Northwest committee will serve as a jury for accepting works into the show. A judge will be responsible for making awards.

Artists will be notified via email the week of December 5, 2024 regarding the status of each piece submitted. (Invited or Not Invited)

Please check your email to ensure messages from art.works.northwest@gmail.com are received and not intercepted by your SPAM folder.

If you do not hear from the jury committee by December 15, it is your responsibility to contact Pam Sharp at pamsharpartist@gmail.com

Framing and Presentation Requirements:

- **All work intended for display MUST be fitted with a secure wire for hanging.**
- We strongly suggest framing two-dimensional works for optimal presentation.
- Works on canvas or other surfaces that do not use framing around the work must be appropriately finished on the sides of your piece. The show will not display exposed staples, untrimmed canvas, dirty sides, or other inappropriate treatments. **Bracket frames, Uni-frames, rings, screw-eyes, zigger, and sawtooth-type mountings are unacceptable.**
- When attaching the wire to your piece, we suggest placing your attachment in the upper 1/3 of the piece.
This will ensure that the piece does not tilt outward at the top when hung.
- Glass or Plexiglas must be properly secured.
- Work that does not meet the standards of quality identified in this prospectus will not be displayed.
- If you have doubts about your finished look, don't hesitate to get in touch with pamsharpartist@gmail.com

Sale of Art:

- All exhibited art **must be available for sale.**
- The CAVU sales desk will handle all artwork sales.
- CAVU Cellars will retain a **20% commission** on all sales resulting from the exhibition. Due to the all-volunteer nature of the show, it may take *up to 3 weeks* for all payment checks (for art sale proceeds and awards) to be generated and sent out. We will try to get checks to artists sooner, but please anticipate this possible timeline. Thanks for your understanding and patience.
- **We will use the price you assign to your artwork in the online entry process. We will not accept price changes once your piece has been accepted.**

Awards:

An independent judge will select **1st, 2nd, and 3rd place** art works, for which AWWN will provide monetary prizes

Artists' Reception:

An Opening Night Reception will be held **Friday, February 7, from 5 to 7 p.m., at CAVU Cellars.** The awards will be announced, and this year's judge will be introduced. Hors d'oeuvres will be served, and no-host wine and other beverages may be purchased.
